Units of Credit: One Semester or One Year (Elective)

Prerequisites: Enrollment in any Business Course and Consent of Instructor

Course Overview:

Business Co-op is for students who are enrolled in a Business class and who are employed in a business-related job at least 5 hours per week. The experience gained on the job is supplemented by the classroom instruction received in the business class. Students are required to report their weekly hours and earnings, and are evaluated by their employer each grading period. Business Co-op is a program which requires the cooperation of the student, parent, employer, and the Business Co-op instructor. Business Co-op does not meet as a class on a regular basis.
