## Tsa nii ta pii? - by Raymond Kingfisher

Oki Nikso'kowaaksi (hello my relatives),

Well... well... well, Motoyi, the "Spring Season," is upon us, even though it does not feel like it as ikstoyisopo, cold wind, is still here. The 2019 MCPS Native Youth Powwow is coming up fast. The team is preparing for a great turnout as we have advertised all over the schools and around the state. It will be a good day for a celebration. The department would like to thank the sponsors of this year's powwow, MUIHC, Missoula Human Resource Council and Missoula County Public Schools. We hope see you, and your family out there.

January through March has been a very busy time for me at the schools. I have been meeting with students and families the past few months. My goal for the rest of the year is to get all my students passing grades, I know it will be tough but it is a good attainable goal. So, you parents can help me out by checking "Q," keeping in contact with your student's teachers and talking about their academic progress. If the teacher knows you are checking on your student it will create an awareness that you the parent want your student to succeed. Any help I can get would be great!

From late September to March some community members/parents and I have been hosting 6th-8th grade "Open Gym." Here the students got to participate in a physical activity, get to know one another and hear me talk about grades and attendance. There was some great learning as we made it through the time on the court. The students enjoyed their time there. I just want to thank those all involved in helping the students out.

Please stay up to date on our events. We have a few left if you did not get the chance to attend one of the earlier planned. Have a good spring start, remember to help me out with my goal.

# Chewing the Grass with Stacy by Stacy Thacker

Ya'at'eeh (Hello),

I hope everybody is well and enjoying all this snow that doesn't seem to want to leave.

This will be my last month as a Native American Specialist with the MCPS Indian Education Department. I've enjoyed my time with the school district immensely and I'm sad to be leaving so soon. I've worked at different elementary schools in the district in my few years here and they have been welcoming and open to our program. I appreciate that.

Indian Education For All is an important initiative and we are lucky to have an administration that supports it and allows us to share our experience with you all.

In the short time that I've worked here I've been able to build relationships with students that I will cherish and miss. The students go through so much change in their life and it was always nice to know that I could be a constant for them. I've worked with great staff and principals across the district and I'll miss our visits. I've accepted a position with the GEAR UP program at Eastern Arizona College. GEAR UP is an initiative to get students motivated about their futures and helps them see college as a possibility. I'll be working with 8th grade students on the Navajo reservation. It's nice to be going home to the sunshine, green chili and legitimate Mexican food, but I will miss Montana and the friends I've made here.

Please continue to support the Indian Education Department. It's a great department made up of individuals who happily give a lot of their own time to make sure our students, teachers and community are getting the best Indian Education For All experience.

Almost every month there is a community event that is open to both Native and non-Native. Please take advantage of these small opportunities to learn more about the Native Americans and tribes represented in Missoula. There are over 50 tribes represented in our school district and that is something to celebrate.

Thank you all for welcoming a random Navajo into your schools and lives. If you see my students please say, "Oki," to them. It means hello in Blackfeet and I promise you that they will be excited to say it back to you with pride.

Ahehee' (Thank you).

Sincerely,  
Stacy Thacker

Good Day:

These past three months have been really busy for me. The Title VI Grant Part I is done and submitted. YAAHH. I have been working hard with the Willard students. Building new relationships with the students is always a plus. The start of this New Year has me doing home visits and welcoming new families that have entered our MCPS district.

Getting prepared for the MCPS Native Youth Powwow. I would like to welcome all Missoula community to come and participate in this wonderful event.

Always working hard on getting the monthly data out. Our highest count was in the month of October.

## The Teacher's Corner by Matt Bell

Aloha from snowy Montana!

Mr. Bell's Native American Studies Class is underway for the 2nd semester. We have started out this story telling season with a variety of stories from Blackfeet and Assiniboine texts. We be including stories from more tribes as the year continues but if any community member would like to share others or even come in to class to share, we would sure appreciate it!

We will also be taking a quick peek at the OPI Guide to Understanding and Enjoying Powwows. Again, community members are very welcome to come in and share!

Pinamaya and have a good day everybody!

Matt Bell

## Lewis's Place by Lewis Yellowrobe

Class Readings: Tricksters - Raven (Tlingit) and Pig (Hawaiian)

In February 2019, I read *How Raven Stole the Sun* by Marie Williams (Inupiak) in Paxson and Lewis and Clark Schools. I explained Inupiak use the Long House to contrast that not all Natives live in teepees. I also showed their style of dress with the straw hats, tapestry clothing, and boots are different from Plains buckskin, feathers, and moccasins.

At Jefferson Preschool, I read *Pig Boy*, the Hawaiian trickster. After the reading, the students decorated a grass hat.

Sunday Funday

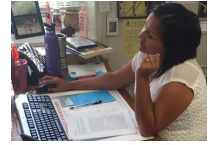

We hosted Sunday Funday events in January and February. Students and parents played basketball and dodgeball, sewed, drummed, and took Salish language lessons. It was a great success. I took over the read aloud program at Lowell School for the remainder the school year.

Blackfeet and Crow Astronomy: Paxson School

Finally, six students, two parent volunteers, and I went to the Planetarium to learn about Blackfeet Astronomy. Before our visit, the students learned about the Crow call the Big Dipper the Seven Bulls who are protecting a boy (the North Star). They also learned about Scarface, the Blackfeet morning star, who used the Wolf Trail (Milky Way) to travel back to earth.

Boarding Schools

The Big Sky Documentary Film Festival had a lot of Native American focused documentaries this year and I was lucky enough to screen a few of the films and have the directors and producers there to discuss the films with my students in my Hellgate and Sentinel classes. On Tuesday 2/19/2019 we screened Blood Memory with producer Elizabeth Day, Megan Whitney, & Director Drew Nicholas. Blood Memory focuses on Boarding Schools and adoptions. On Wednesday 2/20/2019 at Hellgate we screened two films. The Blackfeet Flood with director Torsten Kjellstrand. This film looked at the 1964 flood that killed 31 people when raging waters hit the Blackfeet Reservation. We also screened Harlem Rap at both Hellgate and Sentinel and were able to hear from student rapper Hunter about the video process and what his song was about. Browning Rising Voices also screened their film at Sentinel as well. This included several students from BHS & their advisors. Browning Rising Voices is about Browning High School's Poetry Club. Along for the ride was Native American director Ben-Alex Dupris. He is the director of Sweetheart Dancers. Although we didn't get the chance to screen his film, I was happy to have him in my classes supporting other directors.

The MCPS Indian Ed. Department presented Hellgate High School with a set of tribal flags during Diversity week assembly on February 19, 2019. Our department partnered with Missoula Urban Indian Health Center to bring in two dancers for the assembly as well.

Peve'eseeva! Kee Own Day Daw! ("It is a good day" in Cheyenne and Kiowa) Pi-Kee-Mah Ah Tahn. ("Sunray Woman is my name." – Kiowa)

I'm Crystal White Shield, your newest Native American Community Specialist in the MCPS Indian Education Department. I am also serving as the Vice Chair for the Title XI Parent Advisory Committee - MCPS Indian Ed Dept up until the end of this school year. I am an enrolled member of the Cheyenne and Arapaho tribes of Oklahoma, but also represent the Kiowa Tribe, originally from Apache Y, Oklahoma. I am a mother to six children and 2 stepsons, with four that are attending school at Sentinel High School, Meadow Hill Middle School, and Jefferson Preschool. I'm also a grandmother to two beautiful granddaughters. I have a Bachelor of Science degree in Management Information Systems from the University of Montana (UM), and currently a Master of Business Administration candidate, also with UM.

As a Native American Community Specialist, I have been assigned to assist the Hawthorne Elementary, Jeanette Rankin Elementary, and Big Sky High School buildings. I am excited to be of service to the Native students, families, and schools as Support Staff for those locations. I have been meeting with School Counselors, Vice Principals, and Principals at each school location this week, just to get acclimated into each school's diverse, educational environment. I will be contacting some students and their families before the upcoming Spring Break that are "people of interest" in these meetings. My goal is to have "Read Aloud" and Lunch Gatherings scheduled with all 3 schools by the time school is back in session from the upcoming Spring Break.

In closing, I would also encourage parents and families to reach out to me regarding cultural/regalia questions. I am currently the lead instructor for the "One Stitch at a Time" sewing class series for the Missoula Urban Indian Health Center and volunteer my time to assist families with creating powwow regalia for their children.

I look forward to working with your students!

## Title VI Parent Advisory Committee—Rebecca BearCub

Haun Mitakuyepi! We are well over the half way mark for the school year, with a little over 90 days left in the 2018-2019 school year.! The Parent Advisory Committee would like to thank everyone who has supported our students & donated time, & efforts for events, & fundraising, it is very much appreciated. On April 6th PAC will be having another Indian Taco Sale at Council Grove apartments, in the community room. All proceeds go to the funding for the Native Senior Dinner for the graduating class of 2019. We will have some raffles as well, and a table of baked goods at the MCPS Native Youth Pow Pow on March 16th. All the proceeds from the raffles & bake sale go to the Senior Dinner as well. Please come out & support some amazing students. Also in April, PAC will be taking nominations for four new members for the committee, & also a teacher rep. The appointed committee will start their term in the 2019-2020 school year. PAC is a commitment, & also a rewarding experience to be a part of our amazing students educational journey! Please continue to look on the MCPS Indian Ed Facebook page for continued information on nominations, events, & positive information!
