

MCPS Industrial Trades and Technology Advisory Board Meeting Notes

3:00 pm

2/7/2019

Hellgate High School-Knights Hall

Missoula County Public School students are college and career ready when they have technical knowledge, employability skills, and academic preparation necessary to be productive citizens.

Attendees:

Kasey Dirnberger
Derek Hitt
Ben Dawson
Jimmie Rude
Dave Burtch
Brian Hoover
Chris Jacaruso
Gary Bakke
Jana Geier
Wendy Koster
Scott Edge
Jennifer Courtney

Absent:

Gary Bakke

Facilitator:

Brian Hoover

Note Taker:

Kasey Dirnberger

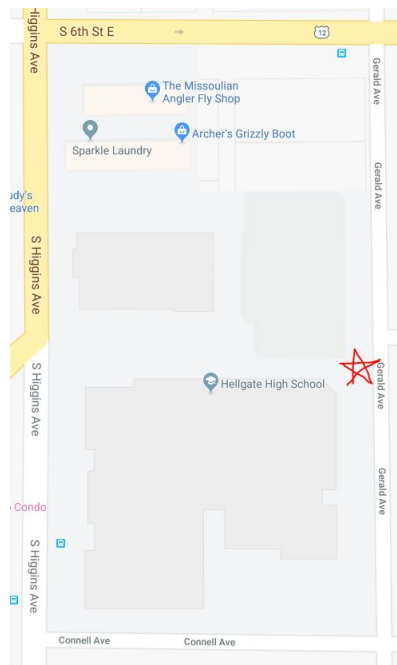

Focus: The Industrial Trades and Technology advisory board will meet with teachers, students, community members, and industry professionals to discuss the curriculum and programs that the Industrial Trades and technology departments are offering at each high school. This will allow the committee to determine best practices for the future success of each program and how it reflects career pathways.

Meeting Objectives: What's our purpose?

For the committee to determine best practices for the future success of each program and how it reflects career pathways.

Logistics

The main entrance of Hellgate is now located on Gerald Street. All guests must use this entrance and check in with the main office.

Porter CTE Teacher Jennifer Courtney-Big Sky Principal</p>
Brian	Hellgate Facility Tour	
Kasey	Overview of Coordinator's Role	<p>Handed out the CTE audit. Coordinator position is the number one recommendation.</p>
Brian	Big Picture of CTE (Federal, State,Local)	<p>Amazing Hand-out Packet of information. Federal Level Update: Perkins V.</p> <ul style="list-style-type: none"> On July 31, 2018, the President signed the Strengthening Career and Technical Education for the 21st Century Act into law. This bill reauthorizes the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins) and will be referred to as Perkins V. Provides funding that is used to improve programs of study and strengthen connections between secondary and post-secondary education Purpose of this bill is to increase student access to high-quality CTE programs that meet the needs of learners and employers <p>State Level Update: Pathways</p> <ul style="list-style-type: none"> Transitioning from Big Sky Pathways to Montana Career Pathways Old Model: 1 specific high school program + 1 specific college program = big sky pathway New Model: Statewide pathways that can be scaled to all high schools and Montana University System (MUS) Colleges

		<p>State Level Update: Standards and Guidelines</p> <ul style="list-style-type: none"> • The Montana Office of Public Instruction is working on developing new standards and guidelines that we will use to develop our curriculum at Missoula County Public Schools. • Montana OPI Timeline: <ul style="list-style-type: none"> ◦ Cycle I: August 2017 - July 2021 ◦ Content Standards: Career and Technical Education ◦ Research and Review: August 2017 - April 2019 ◦ Revision: May - October 2019 ◦ Negotiated Rulemaking: November 2019 - March 2020 ◦ Adoption: September 2020 <p>Begin Implementation: July 1, 2021</p> <p>District Level Update: CTE Audit</p> <p>In 2017 Missoula County Public Schools brought in a team from the Montana Office of Public Instruction to conduct a comprehensive review of our district.</p> <p>Areas of Focus:</p> <ul style="list-style-type: none"> • Ensure college and career readiness by creating a common district vision and a CTE leadership position. • Ensuring programs and standards are aligned with labor and industry needs. • Review pathways and ensure connections between education and the workforce are being made. <p>Copies of the CTE audit were given to all members of the advisory board.</p>
All	Committee Chair Discussion	Next year we would like the chair to be filled by a community member.
All	Goals of the advisory committee	<p>Discussion about getting classes that address local workforce needs added to schools. (Machinist)</p> <p>Try-A-Trade event</p> <p>Set up field trips, job shadows, and work toward pre-apprenticeships.</p>
Jimmie Rude	Potential job	Discussion about age restrictions and

	shadow/Experience/Internship Relationship with Missoula College	<p>possibilities to work around restrictions when officially registered with state labor department.</p> <p>Job shadows are a great introduction to a career, so students can see what the day to day work would include. If the job requires some education and certificates, we can work with the state and the Missoula College to get those requirements met.</p> <p>We want all students to have OSHA and soft skills trainings before they enter a pre-apprenticeship or apprenticeship.</p>
All	Plan for next meeting	April 11th 3:00-4:00 Big Sky High School
Follow-Up Activities: Chamber Event
