Focus: The FCS advisory board will meet with teachers, students, community members, and industry professionals to discuss the curriculum and programs that FCS departments are offering at each high school. This will allow the committee to determine best practices for the future success of each program and how it reflects career pathways.

Meeting Objectives: What's our purpose?

Create an Advisory Board to help guide MCPS in the areas of workforce needs, student programing needs and curriculum.

Prepare for this Meeting?

Bring personal calendars for a discussion of next meeting dates and times.
