

Ask Your Child:

- Can you find 3 things in your house that begin with the /p/ sound?
- What was your favorite gingerbread story to hear this week? Why was it your favorite?
- We learned two ways to play the game COMPARE. (more and less) What do you need to play them? (cards) How do you play? (like the card game WAR)
- What did you work on in your house meeting? ?

Illness

This week brought a wave of illness to our classroom! Encourage your child to wash hands when they arrive home to reduce the spread of germs to your household. Have your child practice hygiene at your house: How to blow their nose (not just wipe) and wash hands right after. How to cough or sneeze into their sleeve (not hands).

Please wash water bottles and lunch boxes regularly and be sure to get plenty of sleep and healthy meals to help your child fend off the germs they may encounter!
