Paperwork!

I will send home copies of any missing paperwork that we need you to fill out.

Please return them ASAP so we can start using the technology! We have chromebooks and ipads to use in our classroom and many of our assesments are conducted on these devices!

Please call if you have questions about any of the paperwork!

Folders

Please start the routine of checking your child's folder every day. There will always be finished work for you to enjoy, but there may also be important time-sensitive papers for you!
Remember to send the folder to school EVERY DAY!

Dates to Remember:

- Thursday, 9/22: Treasure box homework (see pink page) is due
- Thursday, 9/29: Garden work day is rescheduled for this date. We will be spreading groundcover for our paths after school in the garden. Join us if you would like to lend a hand!
