

Ask Your Child:

- What animal friends go with these letters: Aa, Cc, Hh, Pp, Ss
- What did you make in art class this week?
- What kind of puppets did we see in the assembly on Wednesday? DerRic Starlight brought some that look like Muppets and Sesame Street characters. Do you remember their names? Did you have a favorite?
- What did we play on the chromebooks on Friday (computers)
- What body part did we use in sound science on Thursday?
- What treasure did you find in your treasure box? What will you keep in your treasure box? (practice books)
- What is a substitute? Did you meet any this week?

This Week's Learning Targets!

Handwriting: Writing our names with the first letter capitalized and the rest lower case.

Sight Word: I, am

Reading: Noticing character and setting; following text with a reading finger; listening for rhyming words

Writing: Using a "duck beak" to grip our writing tools

Math Concept: Accurate counting and numerals 1-5;

Social Concept: Noticing our feelings and naming them

Water Bottles

Thank you for sending a full water bottle every day. The sink in our classroom has tested unsafe for drinking last spring. While we wait for repairs, we need to supply our own drinking water. I can refill water bottles at lunch in the cafeteria, but a full water bottle helps us start our day with enough to hydrate after recess! I send them home daily for filling and washing as needed. Thanks for your help!

Dates to Remember:

* Wednesday, Sept. 28th: Picture Day! Payment is due at the time of the photo. We will be one of the first classes to be photographed so plan to be on time that day!

* Thursday, Sept. 29th: Garden work day-this was rescheduled from last week. Come help spread walkway ground cover in the garden after school next Thursday!

* We will continue to welcome treasure boxes next week if you didn't get a chance to finish yours this week!
