Ask Your Child:

- What color art pages did you make? (Clifford, a house, a mouse, a monster!)
- What mini-books did you make? Where do you keep them?
- What was it like in gym? Music? Library? Art?
- What animal friends did you meet? Do you remember some of their sounds and signals? Do you have a favorite?
- How do you show you are ready to listen? Show me "Give me 5". What 5 body parts are we using when we listen? (brain, ears, mouth, heart, body)

Paperwork!

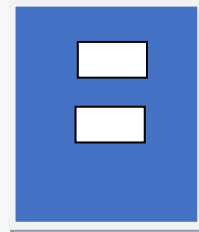

Thank you for filling out and returning all the beginning of the year paperwork! If you are interested in volunteering, I will send a volunteer registration packet home soon!

If you haven't yet returned your paperwork, please do so ASAP so Amity can input the info into our system! Watch your email for a video tutorial about what the paperwork means and what must be returned!

Thank you!!!!
