

## Ask Your Child:

- What did you make in art class this week?
- What did we play on the chromebooks (computers)
- What treasure did you find in your treasure box? What will you keep in your treasure box? (practice books)
- What are the three ways that you can read a book?
- Can you sing the WHOLE zoo friends song?
- What was it like at your first house assembly?
- Can you do your name cheer?

## Learning Targets

Next week we are diving into our reading and math curriculum. This space will be filled with what learning targets we are working on for the week. You can watch for related work in their folder or talk to them about what they are learning.

## Water Bottles

Thank you for sending a full water bottle every day. The sink in our classroom has tested unsafe for drinking last year. While we wait for repairs, we need to supply our own drinking water. I can refill water bottles at lunch in the cafeteria, but a full water bottle helps us start our day with enough to hydrate after recess! I send them home daily for filling and washing as needed. Thanks for your help!

## Dates to Remember:

**\*Next week's special schedule:**

**Monday: A day**

**Tuesday: B day**

**Wednesday: C day**

**Thursday: A day**

**Friday: B day**

**\* Wednesday, October 2<sup>nd</sup>** We will ride around the neighborhood practicing our bus safety skills!
