

Lewis & Clark PTA Request for Funds for 2013-2014

All requests for funds over \$150 will be reviewed three times a year, at the October, February, and April PTA meetings. In order to be reviewed during one of these cycles, this form must be submitted to the PTA on or before Oct. 8th, Feb. 11th, or April 8th, which dates are one week respectively before the meetings. In turn, the PTA will be able to let you know the status of your request within a week after the meeting. It is possible the PTA might ask you to be present at the meeting for a short period to answer questions regarding your request.

3. Date by which funds are needed: <u>ASAP</u>

4. Project name and description:

Fountas and Pinnell Leveled Literary Intervention Grade 3 RED

This is a small-group, Supplementary intervention designed for students needing intensive support to achieve grade-level competency.

5. What specific needs will this project satisfy? What is the purpose of the project?

We have a population of students in 3rd grade that are not reading and writing at grade-level. Grades 2 and 4 have used this program and have found it very successful with their struggling students.

6. Please explain how this project ties in with your curriculum.

We need to close the gap between our intensive Students' current reading level and The expected grade-level. If students are to access the classroom material at an appropriate level, we need to ensure we are closing this gap.

7. How will PTA funds be used?	Funds will	be used
to purchase The	intervention	system.

8. Does project require cooperation, collaboration, or involvement of Lewis & Clark teachers? If so, please describe this involvement, and state whether teachers have been contacted and, if so, their level of support for project.

Yes, the third grade teachers will use the program for interventions during The school day and after school.

9. Project timeline:

Please state dates of project implementation, and whether this is a one-time project or ongoing project.

This program is researched-based and has proven effective for the most intensive and struggling readers. Having access to this effective intervention system would allow us to provide instruction to our most struggling readers this year and in Please provide an outline of your total project budget.
