

Instrument Rental Information

The school district has a limited supply of rentals available. Rentals are \$75 for the entire school year and will have the necessary equipment to get students started. However, due to the limited supply of district owned instruments we are unable to guarantee that we will be able to offer a rental to every student. Thus, if it is financially possible please consider renting/purchasing your instrument from one of the following local establishments before band and orchestra classes begin this year.

- **Morgenroth Music Center** - 1105 W Sussex Ave, Missoula, MT 59801 - (406) 549-0013
- **Music Medic** - 333 SW Higgins Ave, Missoula, MT 59803 - (406) 549-0889
- **Stringed Instrument Division** - 500 N Higgins Ave #204, Missoula, MT 59802 - (406) 549-1502

MCPS Instrument Rentals

5th grade instrument rentals will take place on **Wednesday, September 7th from 4 pm- 7 pm**. To rent instruments please go to Admin Building B, South Entrance (909 South Avenue W.) For questions concerning directions to the building or rental options please call the Fine Arts Office: 406-542-4030

*Please note: we do encourage families to rent instruments from outside retailers if possible. Some families may choose to look for instruments online. Please be cautious while doing so. New instruments priced for \$150 and under can be deceiving. Instruments at this price point may be referred to as ISOs (instrument shaped objects). While this may seem like a good economic decision, instruments at this price point are not typically real instruments and will cause more headaches due to lack of function and poor craftsmanship. Please contact Angelica Kalasz (akalasz@mcpsmt.org) or Randy Zschaechner (rjzschaechner@mcpsmt.org) with any instrument specific questions.
