Multiplication Flashcards

Flashcards will be heading home with students next week! Hopefully you can find a little chunk of time during the long break to begin reviewing these with your student. We hope to reuse these flashcards for a few years, so please help your student be respectful and responsible for the pack while it is borrowed out ☺

Direct Donate

PTA is still collecting donations for the Direct Donate campaign! We are more than half way to our \$12k goal! This fundraiser helps support student activities (like field trips!) and materials for the classroom (like flash cards)! Please send in the green envelope with your donation or visit [rattlesnakepta.org](http://rattlesnakepta.org) to donate directly. Thank you for your support!
