

WELCOME TO FIFTH GRADE

August 2020

BACK TO SCHOOL

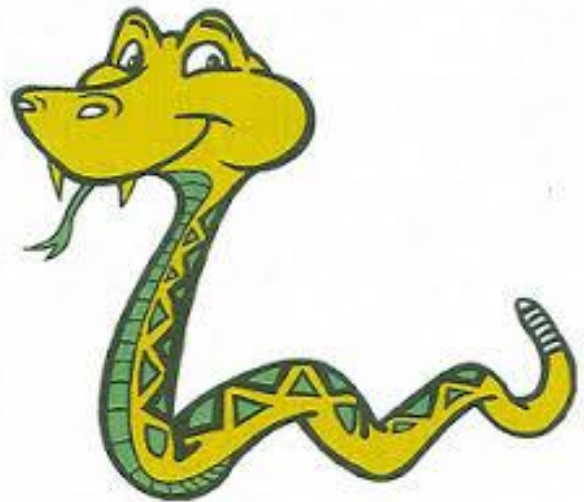

Welcome! We are excited to meet you!

This year, we will be starting the school year in the hybrid model schedule. Students will attend school two days a week and then participate in remote learning three days a week. The fifth grade team is determined to provide the best instruction and engaging learning activities for students to participate in during school and remote learning. This will include time exploring our outdoor learning environment.

The fifth grade team will be using Google Classroom for in class and remote learning. We will be sending out more information about Google Classroom at a later date.

There are new procedures and protocols that will be implemented this year in order to keep everyone safe and healthy. We will go over these procedures with students. In addition, we encourage all families to closely read the Rattlesnake Student Handbook.

We are entering uncharted territory this year. There are many unknowns for families and schools. We ask that you are patient with us as we navigate this year. Please contact your student's teacher with any questions or concerns.

SCHOOL SUPPLIES LIST

MEET THE TEACHERS

Hello! My name is Ms. Koster. I am excited to welcome you to fifth grade. This is my ninth year teaching at Rattlesnake and fourth year teaching fifth grade. I enjoy hiking and skiing around Missoula. I am looking forward to getting to know you and your family this year.

Hello! My name is Ms. Olander and this will be my first year teaching at Rattlesnake. I recently graduated with my masters in elementary education from UM. During my free time, I can be found throwing pottery, baking, mountain biking, running and paragliding. I'm looking forward to meeting you all. Welcome to 5th grade!

Hi from Mrs. Lee! This is my 10th year teaching at Rattlesnake and I am very excited to be teaching 5th grade this year. I know many of you from my years in kindergarten and look forward to meeting the rest of you. I enjoy being outside and plan on spending a lot of our learning time this year outdoors. I have enjoyed my time this summer hiking and floating and hanging out with my son, Mason.
