

# MCPS Connect 5 Consent

Forward Thinking, High Achieving.

The Federal Communications Commission requires Missoula County Public Schools (MCPS) to obtain your consent to send outreach messages to you via our automated system (Connect 5). Outreach message can include information about schedule changes, school events, parent reminders, cancelled activities, and other non-emergency messages.

MCPS wants to keep you informed in multiple ways. Connect 5 allows us to send messages to you through different mediums – phone calls, texts, emails – regarding important school information. To ensure we are able to do this, please fill out this form. You have the right to not consent to receiving messages from Connect 5 – you will still continue to receive emergency calls. You can also revoke your consent to receive messages from Connect 5 at any time by contacting your school secretary.
