Other Health Conditions, physical restrictions or medication at home that may require consideration at school:

MEDICATION	<ul style="list-style-type: none"> • Provide a permission form signed by parent and healthcare provider each year for all medications. • Parent must bring in medications to the school office in the original pharmacy or manufacturer labeled container themselves. (not the student in order to ensure safety for all) • Medications must be kept in the school office except for life saving medications, (Epipen (epinephrine), inhalers, and diabetic medications that the student has been authorized to carry) • Ask the school secretary or nurse for the correct forms or download from the MCPS website.
-------------------	---

In the case of accident or serious illness, the school will provide first aid and contact the parents to obtain further medical attention. The school may notify emergency services if deemed necessary. If appropriate and the school is unable to contact the parent, the school may contact the medical provider listed below and follow his/her instructions.
