

IB EXAM REGISTRATION

Due Oct. 14th

IB Students:

Take this exam registration form home tonight, read and fill it out with your parents. ALL students will fill out the first page. Select a payment option at the bottom of the page. Bring payment and your registration to Mrs. Koppang, room 207B **no later than Oct. 14th, 2020.**

- IB Courses show up on your transcript. However, for college recognition and the possibility of college credit, *you must take the IB Globally Moderated Exam* in May and complete all internal assessment work by the deadline for each course.
- We recommend researching how different colleges of interest to you treat IB courses and IB exams. Taken as distinct courses, colleges are more likely to give credit for HL course over SL courses.
- You are eligible to take an IB Exam if you have participated in the entire IB Course and if you have or plan to complete all Internal Assessment work.
- To earn an IB **Full Diploma**, candidates must take all exams.
- All students will receive a log-in and password to check scores and send scores to Universities when they come out in July.
- Please see reverse to view testing dates in May. Testing dates and times may not be changed or altered due to scheduling conflicts with sports, activities, or vacations.
- Questions or concerns about whether you should take an exam or not, please see Mrs. Koppang in room 207B, daily, periods 4 - 6/or schedule an appointment.
- **We have a scholarship fund to financially assist those in need and appreciate any donations made to assist students. If you would like to donate, please add that amount to your exam payment or write a separate check, payable to Hellgate IB. Thank you!**

Exam costs for 2020 - 2021

- Each exam: \$120.00* if submitted by Oct. 14th
 - AFTER Nov. 15th it's \$160
 - AFTER Jan. 15th it is \$270
- Late fees are applied by the IB Organization, not Hellgate High School
- **There are no refunds for exam fees *after November 15, 2020*** if a student elects *not* to take an exam without extenuating circumstances (i.e. moving).

Services and accommodations are available and permitted by IB for students with special needs. See Mrs. Koppang for information.

All questions and concerns should be directed to Mrs. Koppang in room 207B. Phone: 728-2400 x6022 Email: kjkoppang@mcpsmt.org

Need-Based Scholarship

A need-based scholarship or financial aid is for students whose families face financial hardship, yet who do not qualify for free/reduced lunch. These scholarship monies are raised from community donations, parent-group fundraising, and generosity of the administration. Please fill this form out in its entirety. The information is confidential and will not be shared beyond the scholarship eligibility committee.
