### What is The Flagship Program?

The Flagship Program is a community-school partnership that enhances the social, academic, cultural and physical achievement of Missoula's youth by creating opportunities that help them to succeed and grow to become healthy and productive adults.

It is **FREE** for all Washington families.

### How do I sign up for Flagship?

1. Review the activities available in the brochure and determine which activities are of interest to your child and fit well with your schedule.
2. Complete the attached sign-up sheet and return to your child's teacher, Kristian in the Flagship Office in the West Gym, or the main office with Jan or Terrie.

#### **Priority placement or no later than March 13**

3. Confirmation and permission forms will be sent home with your child to let you know what classes they are registered for. *Your child may not be registered for every class you list.*
4. Your child will be expected to attend all the activities that he/she is registered for. Many classes fill up quickly. Please respect there may be waiting lists for classes.
5. Mark your calendars! Make sure you double check dates and times of programs.
6. Make sure to fill out this form in its entirety. Spelling is very important, please make it as readable as possible.
