Giving Thanks for the Giving Tree Supporters

*Twenty-Two L&C families benefited from your generosity. This truly could not have been done without each of you who contributed! The FRC would like to thank everyone who gave time, gifts or money to make the Giving Tree such a success! Special thank you to Jenny Thies, Nichole Bird, Amanda Braun, Tracy Dahl, Reilly Sullivan and Samantha Zauher for sorting and organizing gifts. And cheers to Raluca Vandergrift for last minute elf shopping! **Words of thanks from the families...***

From the Principal's Office:

Happy New Year Lewis & Clark Families!

It is SO nice to have our classrooms filled with children again! I hope everyone enjoyed the holiday season and that your children are as excited to be back, as we are excited to have them! So far 2022 has been filled with energy and a passion for learning. I can see it on your kids' faces, hear it in their conversations, and watch their excitement to see friends and be engaged in learning!

As we enter 2022, we often create resolutions as this is a natural time to “reboot.” At Lewis & Clark, we are taking this time to reemphasize our mission to foster global awareness and inspire stewardship within our communities, and to provide a foundation for each student to become a lifelong learner. We are revisiting our 3 Be's...Be Respectful, Be Responsible, Be Safe as we demonstrate kindness toward others, while meeting the individual needs of our students. Each day, we strive to deliver the best instruction, based on what our kids need to be successful and grow as individuals.

2022 also brings with it the cold and snowy weather! With that, I would like to remind all families of our playground expectations and safety during the winter months. In order for students to play in the snow, they must have snow pants, boots, hats, and gloves to stay warm. Teachers will remind students and give them time to get their winter gear on. We are also reminding students about not throwing snow, making snowballs, or pushing each other on the hill. These are important safety reminders to keep kids from getting hurt. We would appreciate if you can discuss these reminders with your child(ren) as well. Finally, it is best if winter clothing is labeled so we can return to students right away, but in the event they misplace any belongings, please check out “lost and found”.

Wishing you the best as we begin a new year!

Coming in April: Our first Jogathon fundraiser! Details to come!

SUPPORT Lewis & Clark By Buying Your Groceries!

There are many ways to help our school by donating and volunteering, but you can also help just by shopping at your favorite grocery store!

Here's how to give back to Lewis and Clark:

Missoula Fresh Market gives 1% to schools from its patron's receipts. When checking out, write the name of your school or ask the cashier to do it for you on the top of the receipt. They will donate 1% of your receipt amount to our school. The more you spend, the more our school benefits!

Good Food Store provides 3% back to schools AND it's easier than ever! When checking out, just tell the Good Food Store cashier you want to donate to Lewis & Clark or give them our school "prefix" code of 334. They will send 3% of your purchase to L&C.

TRY THE BOX TOP APP: please consider installing the Box Top app on your smartphone. After you install the app and enter the school info, it is a simple process. Scan your receipt within 14 days and Box Top money is sent to the school!

LYNX LITERACY TIPS

Welcome to a new year! This is the time during the school year when the pace really tends to pick up. Routines are established, relationships are secure, and kids can settle into many weeks of sustained learning at school without the schedule changes that are so common in the fall. This school year has brought enormous growth to so many of our kiddos! We are excited to continue building momentum and helping our students close the gaps in their learning between now and the end of the school year.

HOW YOU CAN HELP:

- Ensure that your child comes to school on time every day as long as they are not sick! Absences and tardies have a big impact on your child's academic growth.
- Practice skills at home! Have younger children read good-fit books to you every afternoon, and help them practice their power words. You can support established readers by helping them make time every afternoon or evening to curl up with a good book.

We couldn't be more grateful to be on your child's education team with you. Let's make 2022 a fantastic year!

THE THREE B's In ACTION

*L&C Lynx focused on appropriate behavior on the bus in December. The focus for this January is **RESPECTFUL, RESPONSIBLE, and SAFE** actions in the classroom. Ask your student what ways they choose to show these universal expectations to their peers and staff while in class!*

Counselor's Corner: A Note from Ms. Myers

Be

A

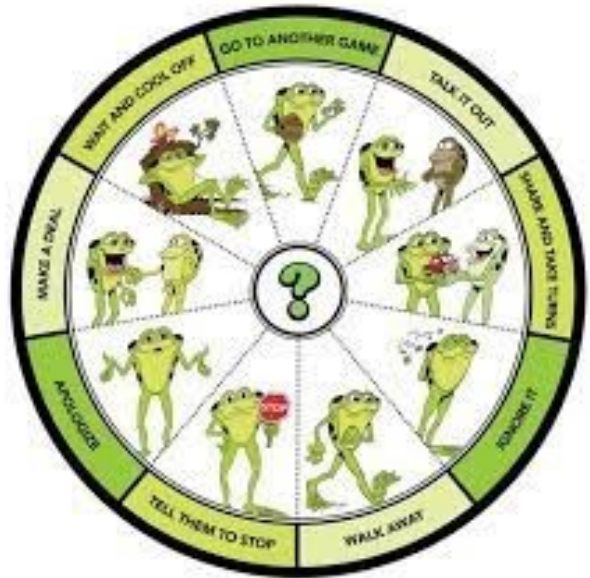

Problem Solver!

Conflict is a normal part of human relationships. Kids in elementary have a big job; they are learning to navigate school, friends, and big feelings. At

Lewis and Clark, we are working hard to empower kids to be problem solvers; we believe that kids are strong enough and smart enough to solve kid-sized problems on their own.

One way we teach kids this is with a program called Kelso's Choices. Kelso's Choices gives kids the skills to recognize if a problem is big (scary, dangerous, against the rules—requires adult help) or small (kid-sized) and the tools to try to solve it!

Take a look at the choice wheel and try to incorporate it into your family's language. The more we practice these skills, the better we become at using them.
