## Halloween at Lewis and Clark

Our Halloween parties happen the last hour of the day. All children will change into their costumes during afternoon recess (although they may wear the base of their costume under their clothing). We encourage the fun of dressing up, BUT we ask school costumes not represent characters of violence and destruction. **NO GUNS, NO KNIVES, NO BLOOD, NO SWORDS, NO EXCEPTIONS!**

Depending on your child's costume, it may be best for a child to have a home and a school costume. Or save some elements for trick-or-treating only. We appreciate your cooperation and positive creativity to make Halloween fun and safe for all on **Thursday, Oct. 31st!**

## Our biggest fundraiser of the year begins soon! With your help, we can make it the best yet!

Every Lewis and Clark family is encouraged to take part. The money raised directly supports our children's education and enrichment!

### Coffee, Toffee, and Tea and More make great gifts!

This is a homegrown fundraiser featuring Montana made products. Please reach out to your family, friends and neighbors. Ask them to support our school by purchasing an item.

**Sale begins October 3rd.**  
Please turn in order forms by  
October 21st (with money).  
Orders will be ready for pick up  
and delivered to classes  
November 11th .

# From the Principal's Office:

Hello Lewis and Clark Families!

What a fantastic start to our year. Thank you to everyone for your positivity and support. I wanted to remind you of the goals I have for this year.

- Build positive and collaborative relationships with our school's stakeholders. These include parents, students, teachers, staff, and community supporters.
- Identify our school's strengths and challenges to ensure and facilitate a climate of continued growth.
- Using our priority standards as the focus and high-quality professional development, provide instructional leadership for our teachers to utilize best practice and research-based instruction for the classroom.
- Leading our staff through the year 5 Self-Study Process for International Baccalaureate Primary Years Programme to update our commitment and engagement to inquiry-based learning.

As a building, we will be creating academic and culture/climate goals that I will share with you in the next newsletter! Be on the lookout. Please do not hesitate to contact me for any ideas, concerns and positive feedback. Communication is the key!

Take Care,

Amy Shattuck

Principal

This prevents unnecessary interruptions for Ms. Bridget at the front office and teachers during the school day.

Thanks for your help in making sure your child is informed!

## ***Lewis and Clark Student Council 2019-20 is up and running!***

The purpose of Student Council is to let students participate in a democratic forum to make the school a better place. Each will bring issues from the classroom to the Student Council discussion where all ideas will be treated equally. Each representative will bring back to the classroom the results of the meeting and will ask for class votes on major issues. Each student representative was elected by his or her class.

Representatives from fifth grade: 5F-Owen Dale, Ashton Huse, and Elin Nuttall; 5G- Oliver Darlington and Paisley Johnson; 5J -Mykal Dunn and Aaron Roche.

From fourth grade: 4J-Josh Hyland and Weston Schick; 4O-Kincaid Fiscus and Josh Shepherd ; 4W-Joslyn Calahan and Nixin Wright.

Student Council represents YOU, the student! Please have a voice in making the school a better place. Meetings are at **lunchtime every other Thursday** in Mrs. Ferrell's class from 12:00-12:30, and everyone interested is welcome to attend.

## **Counselor's Corner: A Note from Ms. Myers**

*Helping Kids Deal with School*  
**SEPARATION ANXIETY**

-  make & practice a goodbye ritual
-  do a practice run
-  read about it
-  stick to a routine
-  pack a transitional object
-  show excitement
-  validate feelings
-  model a positive goodbye

Transitioning into a new school year can bring about big changes- new teacher, new after school care or programs- and big changes can sometimes lead to tears, fears, and resistance. This chart provides some quick tips to developing a routine around transition, with the hope of easing worries for all involved. If your child is struggling with transitions this year, you can also reach out to me for support and problem solving.

Thanks! Linsey Myers

**Lost and Found for October will be displayed from 10/28 - 11/1.**

## Shop for Food and Support Our School

There are many ways to help our schools by donating and volunteering, but you can also help just by shopping at your favorite grocery store! Here's how to give back to Lewis and Clark:

**Missoula Fresh Market gives 1%** to schools from its patron's receipts. When checking out, write the name of your school on the top of the receipt and give it back to the cashier and they will donate 1% of your receipt amount to your school. The more you spend, the more our school benefits! They also take requests for donation of goods or for special projects.

**Good Food Store provides 3%** back to schools AND it's easier than ever! When checking out, just tell the Good Food Store cashier you want to donate to Lewis & Clark or give them our school "prefix" code of 334. They will send 3% of your purchase to L&C. They also have a committee that reviews online forms for special donation requests once a month for special events.

## ***Lewis and Clark Open House and Ice Cream Social 2019***

This year started with a great evening of community with our annual ice cream social. Students were able to give tours of their classrooms and highlight their favorite activities of the day with their families. A big THANK YOU once again this year to Big Dipper for the delicious ice cream! Thanks to all of the wonderful volunteers for setting up, scooping, and cleaning up. Several organizations also came to show some of the opportunities available in our community. Thank you to all of those who came. A huge thank you to Mrs. Shattuck and custodian Tom for all of their help to prepare for this event. We are excited about another great year here at Lewis and Clark!

## Try the BOX TOPS App !

Thank you to all who bring their Box Tops! It really does help the school and adds up quickly! Please consider installing the Box Top app on your smartphone. It can double our box tops. After you install the app and enter the school info, it is a simple process. Just select the offers that are listed on the app. When you shop, be sure to read the entire offer. After you check out, scan your receipt and BAM! Box Tops are sent to the school.

The great thing is you can still clip those box tops and drop them off in the box at the school's front office. Essentially, we get double Box Tops!

It's an easy way to increase our collection.

Thanks for your contributions toward this effort!

**Kindness, Compassion, Self Esteem—Wednesday, October 2nd—6:00-8:00 PM at Paxson Elementary.** Children who have a healthy self-esteem and who feel accepted and appreciated, tend to approach life with optimism and confidence. This class will answer questions such as: What is self-esteem? How do children "get" it? How do parents "give" it? Participants will leave class with strategies to engage with their children in a manner that fosters self-esteem, kindness, and compassion.

**Helping Kids Manage Their Emotions— Thursday, October 24 from 6:00-8:00 PM at Franklin Elementary—**Children are not born knowing how to express or deal with their emotions. Sometimes, observable behaviors can tell us more about how they may feel. In this class, you will learn how to identify the emotions behind your child's behavior, and to help them manage their emotions by connecting and developing new skills.

Registration is by lottery rather than first come, first served. Thus you do NOT need to be at your computer when registration opens, but you MUST register before it closes on **Tuesday, Oct. 1st at 4 pm!**

We will try our best to grant your first choice, but due to limited class sizes, submitting a registration form does NOT guarantee admission or class preference. You will be notified of class placement by Oct. 4th; earlier when/if possible. Many times there are more students interested than spaces in a class. Please check your calendar to make sure your child will be able to attend all classes before registering so we can make the most of this opportunity. Thank you for understanding!

\*\*\*IF your student's schedule allows them only a certain class, please put that same class as the choice for 1st, 2nd & 3rd preference.
