Support Sentinel High School Activities and Programs!

**SENTINEL HIGH SCHOOL BOOSTER CLUB
MEMBERSHIP 2018-2019**

As extracurricular activities foster well-rounded students, the Sentinel High School Booster Club strives to raise much needed funds to support student activities at Sentinel High School. **100% of the money raised by the Booster Club goes back to the students and the school.**

Booster Club purchases honor cords for graduation, donates to the senior all-night party and supports Families In Transition (FIT). We also support Football, Volleyball, Cross Country, Cheerleading, Golf, Speech & Debate, Orchestra, Band, Drama, Choir, Dance, Robotics, Wrestling, Basketball, Swimming, Soccer, Softball, Tennis, Track, HOSA and Student Government.

Additionally, we are proud to award two seniors each year the Booster Club Pride Scholarship to the school of their choice. In order to qualify for the scholarship, a parent must be a member of the Sentinel Booster Club.

By joining the Sentinel High School Booster Club, you become a vital part of the continued success of our students, both on and off the field, court, or classroom. Your support is greatly needed and appreciated.
