Welcome Back

Welcome to the 2022-23 school year at Washington Middle School! We are excited to begin a new school year and look forward to what the year will bring us. Washington Middle School uses a team approach to recognize and respect the transitional nature and the intellectual, social, emotional and physical needs of middle school students. We are committed to a quality instructional program, a positive social experience and open communication with our community.

You can stay informed through these monthly newsletters, team newsletters, music & exploratory updates (these will be attached to the team newsletters) and access to your parent Infinite Campus portal. In addition, you are always welcome to reach out to anyone in the building. Our contact information is located on our school's webpage:

We are grateful to be a part of this community! We look forward to getting to know our new community members and reengaging with others.

Sincerely,

Kacie Laslovich

Drop Off/Pick Up

Sussex Ave. is our bus loading zone, and Central Ave. & Bancroft are designated for pick-up and drop-off. When picking up or dropping off a student, please pull to the side of the road so traffic does not become congested. Students should walk to the nearest crosswalk if crossing the street is necessary. Our number one priority is the safety of our students!

New Staff at WMS

We have a handful of new staff at Washington. I'm excited to welcome them to our WMS family!

Andrew Northrup – 7th grade

Carin Williams – Speech Pathologist
