

## **ENROLLMENT AND ATTENDANCE RECORDS**

### **Average Number Belonging:**

Average Number Belonging (ANB) is the enrollment measure used for the State Foundation Program calculations as defined in § 20-9-311, MCA. The ANB of one year is based on the attendance records of the preceding year. Funding for Districts is based on ANB, which is based on "aggregate hours" per year and must be accurate. "Aggregate hours" means the hours of pupil instruction for which a school course or program is offered or for which a pupil is enrolled.

For a child to be counted for ANB purposes:

- a) The child must meet the definition of pupil as found in § 20-1-101(11), MCA;
- b) Attending 181 to 359 aggregate hours = One-quarter time enrollment
- c) Attending 360 to 539 aggregate hours = One-half time enrollment
- d) Attending 540 to 719 aggregate hours = Three-quarter time enrollment
- e) Attending 720 aggregate hours or more = Full-time enrollment

**As per MCA 20-9-311:** When a pupil has been absent, with or without excuse, for more than 10 consecutive school days, the pupil may not be included in the enrollment count used in the calculation of the ANB unless the pupil resumes attendance prior to the day of the enrollment count.

Enrollment in a program for fewer than 180 aggregate hours of pupil instruction per school year may not be included for ANB purposes.

### **Homebound Students:**

Students who are receiving instructional services, who were in the education program and, due to medical reasons certified by a medical doctor, are unable to be present for pupil instruction, may be counted as enrolled for ANB purposes, if the student:

If a homebound student does not meet the criteria set forth above, the District may request a variance through the Office of Public Instruction, for consideration of the student in the enrollment count for ANB purposes beyond the tenth (10th) day of absence.

### **Attendance Accounting:**

Days present and absent for every student are to be recorded in each building, for the purpose of informing parents of a student's attendance record.

On October 1 and on February 1 (or the next school day if those dates do not fall on a school day), the number of all enrolled students (whether present or absent) by grade level and class will be recorded on the forms provided by the District. Special education children who are enrolled in special programs sixteen (16) hours or more a week will be listed separately. The Director of Special Education should be contacted to verify this count. Monthly student counts of enrolled children by grade and classroom will be provided by the office.
