

## **REMOVAL OF STUDENT DURING SCHOOL DAY**

Schools must exercise a high order of responsibility for the care of students while in school. The removal of a student during the school day may be authorized in accordance with the following procedures:

1. Law enforcement officers, upon proper identification, may remove a student from school as provided in Policies [4410](#) and [4411](#).
2. Any other agencies must have a written administrative court order directing the District to give custody to them. However, employees of the Department of Family Services may take custody of a student under provisions of § 41-3-301, MCA, without a court order. Proper identification is required before the student shall be released.
3. A student shall be released to the custodial parent. When in doubt as to custodial rights, school enrollment records must be relied upon, as the parent (or guardians) have the burden of furnishing schools with accurate, up-to-date information.
4. The school should always check with the custodial parent.
5. Prior written authorization from the custodial parent or guardian is required before releasing a student into someone else's custody, unless an emergency situation justifies a waiver.
6. Police should be called if a visitor becomes disruptive or abusive.
