

## **USE OF SUPPLEMENTAL MEDIA**

All District employees must comply with federal copyright laws, as well as publisher licensing agreements. A rented privately owned movie or video may only be shown in the classroom provided the following "fair use" requirements are satisfied.

- The movie or video must be shown in the course of face-to-face teaching activities in the classroom or similar place devoted to instruction.
- The showing of the movie or video must be directly related and of material assistance to the curriculum and lesson objectives.

The showing of movies and videos must be limited to specific educational purposes. A full-length movie video, or clip thereof, shall not be shown in school unless its content is relevant to the curriculum and specific educational objectives, is appropriate to the age and maturity of the students, is a productive use of class time and will not cause classroom disruption. Teachers and other school officials who violate this policy may face appropriate disciplinary action.

Assuming compliance with the copyright requirements outlined in this policy, a movie or video may be shown if it has received prior approval from the Building Principal.
