

## SEVERE WEATHER AND OTHER NOTIFICATIONS

Missoula County Public Schools will notify students and parents as early as possible if severe weather or other circumstances require that:

- **Schools delay their starting time or**
- **Schools are closed and cancelled for the day.**

School District officials will work closely with the bus company and city/county transportation officials to monitor the condition of local roads and highways during severe weather or when other circumstances arise. The District will use the MCPS ParentLink system to communicate with student and staff households by telephone and email should school be cancelled or delayed.

A recorded phone message, text message, and email (assuming there is an email address for the household provided to the school) will be generated at the **DISTRICT LEVEL** to each household as early as 6:15 a.m. (It is important that building administrators **do not** send out duplicate messages.)

Information will be posted on the following websites:

- Visit the District's website at [www.mcpsmt.org](http://www.mcpsmt.org)
