

C.S. Porter Middle School Supply List

2018-2019

Each teacher has his/her own requirements for supplies. Before class assignments have been made, the supply list provided will allow families to budget early, take advantage of sales, and have students well prepared for their classes. Please understand that your child's teacher may add an item or two to the 'required' supplies as the school year begins. Students may also need to replenish supplies throughout the year. For more information, please call C.S Porter at 542-4060.
