With the shift to the modified block schedule, the Semester Finals schedule will fall naturally on the Wednesday and Thursday block days. Exams will occur on January 19th and January 20th. Teachers may invite students to make-up exams on January 21st.

During the week before and during the final exam week, counselors do not send passes for students. This decreases classroom interruptions prior to finals. However, we still encourage students to drop by before school or at lunch. They can also reach out to make an appointment.
