This is to request that \_\_\_\_\_ be granted permission  
to return from the \_\_\_\_\_ activities event on  
(Event/Sport)

\_\_\_\_\_ at \_\_\_\_\_  
(Day & Date) (Location of Event)

I also certify that I am personally transporting the above named student.

I understand that the Big Sky High School handbook requires that students ride the school provided transportation to and from the school-sponsored events and that a departure from this requirement will release Missoula School District and their employees from all liability for any adverse results that may occur. I agree to release the Missoula School District and its employees and officers from all liability with reference to the above-state transportation.

The student will be released only if a personal contact is made between the parent and the Coach/Advisor. If this procedure is not followed the student must ride home on the school provided transportation.
