The Hawthorne Hawks have the best volunteers!

Our Bill Earhart is a leading factor in how Hawthorne's Library consistently has the highest circulation rates in the district. Thanks Bill! Your support means a lot to our school and community.

Thanks to the relentless smiles and helping hands of our school Grandmas Fay, Florita, Rebecca, Nancy, and Coretta, and of our school Grandpa, Victor, our students get the extra help needed to score top marks on all district assessments. Thanks Grandmas and Grandpa!

Are you interested in learning how you can help out at Hawthorne? Because, even 30 minutes a month would really help out! Call Lily at 728-2400 ext. 4271

ARE YOU PREPARED FOR SUMMER ??

Lets face it, none of us trust this warm weather we've been having to stick around. But when it does, we need to be ready!

Summer camp registration has already begun, financial aide is already being distributed, and the *Missoulian* doesn't run its special Camp editorial for two more weeks! Don't panic (yet), the FRC has just created it's own page on the Hawthorne website, and on it, you can find the much desired camp information. Also, we understand how confusing it can get with the many forms and people you might need to contact to get the meals and the transportations. There is a downloadable checklist on the FRC page, too!

Go to: <https://www.mcpsmt.org/domain/3637>

Flagship summer programs are offered, free of charge, to Hawthorne Hawks. These programs have limited space, so make sure to keep check-

ing your students' backpack for the registration form. They will be sent home the last week of April. (My sources tell me April 24th)

Bike safety is important to the Hawk community. Please remember to review road signs, turn signals, and school routes with your student. Helmets and locks are available on a need basis.
