PARENT TEACHER CONFERENCES ARE MARCH 9TH

TIPS FOR PARENTS

Before the conference

- Ask your child what she likes best and least about school.
- Ask your child if there is anything that he wants you to talk about with his teacher.
- Tell your child that you and the teacher are meeting to help her.
- Make a list of topics that you want to talk about with the teacher.
- Prepare a list of questions such as:
 1. What are my child's strongest and weakest subjects?
 2. Does my child hand homework in on time?
 3. Does my child participate in class?
 4. Does my child seem happy at school?
 5. What can I do at home to help?

During the conference

- Be on time (or early) for the meeting.
- End the meeting on time. Other parents will probably have a conference after yours.
- Relax and be yourself.
- Stay calm during the conference.
- Ask the most important questions first.
- If your child receives special services such as English classes, ask about your child's progress in those classes.
- Ask for explanations of anything you don't understand
- Ask your child's teacher for ways that you can help your child at home.
- Thank the teacher.

After the conference

- Talk about the conference with your child.
- Talk about the positive points, and be direct about problems.
- Tell your child about any plans you and the teacher created.
- Keep in touch with the teacher during the rest of the school year.

If you are a member of the EmPower Pack Program, there is the option to double your take home during Spring Break. Please let Ms. Lily know if you would like to opt out. Call 406-728-2400 ext 4271 and leave a message if she does not answer so that she may call you back. Thank you!
