Missoula County Public Schools will continue tuition-free attendance of resident students not reaching 19 years of age by September 10. Students in MCPS are expected to attend and be enrolled as full time students. However, with the approval of the building principal and Superintendent or designee, students may be enrolled less than full-time if the student is enrolled for at least one clock hour per day (including passing periods).

Requirements for part-time attendance are described in MCPS Policy 3150. This applies to students currently enrolled in MCPS' schools as well as home school students and private school students. This provision applies to students in grades K-12. Part-time students must participate in the statewide student assessment which any student in the grades designated for assessment is required to take.
