

STUDENTS

Compulsory Attendance

To reach the goal of maximum educational benefits for every child requires a regular continuity of instruction, classroom participation, learning experiences, and study. Regular interaction of students with one another in classrooms and their participation in instructional activities under the tutelage of competent teachers are vital to the entire process of education. This established principle of education underlies and gives purpose to the requirement of compulsory schooling in every state in the nation. A student's regular attendance also reflects dependability and is a significant component of a student's permanent record.

2. ~~The date of completion of the work of the eighth (8th) grade.~~ **Date the child completes the eighth (8th) grade.**

Compulsory attendance stated above will not apply when children:

4. Enrolled in a school of another district or state under the tuition provisions of this title;

Missoula County Public Schools will continue tuition-free attendance of resident students not reaching 19 years of age by September 10. Students in MCPS are expected to attend

and be enrolled as full time students. However, with the approval of the building principal and Superintendent or designee, students may be enrolled less than full-time if the student is enrolled for at least one clock hour per day (including passing periods).

Requirements for part-time attendance are described in MCPS Policy 3150. This applies to students currently enrolled in MCPS' schools as well as home school students and private school students. This provision applies to students in grades K-12. Part-time students must participate in the statewide student assessment which any student in the grades designated for assessment is required to take.

Any student who wishes to receive a diploma from a Missoula County Public School high school, must be enrolled as a student during his/her senior year and meet the same credit requirements as other students in MCPS' schools.

Any student who has been expelled from another school district will not be allowed to attend or enroll in MCPS during the term of expulsion from the expelling school district.
