

Brooke Krininger, MPH, BSN, RN, Health Services Supervisor
Micah Hill, Superintendent

Dear Parents/Guardians:

Missoula County Public Schools policy requires your consent in order to administer the over-the-counter medications (OTC) described below. All other medications & treatments require an additional form with the signature of your child's health care provider. (This includes all prescription, over the counter and complementary and alternative medicine (CAM)). Forms are available at school and on the district website under the Health Services tab.

I give permission for the school nurse and/or other designee to administer the medications below to

Students Name	Date of Birth	Grade
---------------	---------------	-------

My child is allergic to _____.

My child has previously taken Tylenol (acetaminophen) Yes No

My child has previously taken Ibuprofen (Motrin or Advil) Yes No

My child has a sensitivity to dyes in medications & requires dye-free acetaminophen (Tylenol) or ibuprofen (Motrin or Advil). Yes No

I understand that I will supply the medications that I want available to my student and that school procedure is that I or a designated adult will give the medication to the school office directly in its original container. School personnel will discard the medications at the end of the school year if a parent does not pick them up prior to this.

STANDING ORDERS FOR Pre/Early K STUDENTS

Commented [SMD1]: I do feel Benadryl needs to be on here, as some parents are requesting Benadryl for bee stings, reactions to food intolerances, hives from the grass, etc.

	Acetaminophen (Tylenol) Dose	Ibuprofen (Advil/Motrin) Dose
Age 3-4	1 teaspoon = 5 ml= 160 mg of liquid acetaminophen 160mg (5 ml) concentration	1 teaspoon = 5 ml= 100mg of liquid ibuprofen 100mg (5 ml) concentration
Age 5-6	1 ½ teaspoon= 7.5 ml=240mg of liquid acetaminophen 160mg (5 ml) concentration	1 ½ teaspoon= 7.5 ml= 150mg of liquid ibuprofen 100mg (5 ml) concentration
