

**Missoula County Public Schools Permission for Standing Order medications
for high school student**

Dear Parents/Guardians:

Missoula County Public Schools policy requires your consent in order to administer the over-the-counter medications described below. All other medications require the signature of your child's health care provider. (This includes all prescription, over the counter and CAM; Complementary and Alternative Medicine.)

Student's name:

Date of birth:

Grade:

Student allergies:

I give permission for the school nurse and/or other designee to administer the below medications to this student.

Parent/Guardian signature:

Date:

Standing Orders for School Nurses—Grades 9-12

1. May use Tums as directed. 1-3 tablets at a time.
2. Apply Hydrocortisone 1% or 0.5% cream or Caladryl ® for minor rash.
3. Acetaminophen (Tylenol) **325mg 1-2 tablets**, or **ONE 500 mg** tablets to be administered no more than every 4 hours under the direction of the school nurse.
4. Ibuprofen 200mg, (Advil, Motrin) 1-2 tablets to be administered no more than every 6-8 hours under the direction of the school nurse.
5. Benadryl (diphenhydramine) 25mg, 1-2 tablets to be given for minor allergic reactions. The parent/guardian will be notified when possible prior to administering Benadryl.
