Instruction 2250

Adult Education

In support of lifelong learning and within the limits of budget, the District shall operate a comprehensive program of adult education for persons 16 years of age and older.

District facilities as well as other facilities may be utilized for instructional purposes.

The Adult Education Director, with the assistance of coordinators, instructors, and other support staff, is responsible for the development, promotion, supervision and coordination of all adult education programs. When deemed appropriate, program advisory committees may be established to assist in the promotion of adult learning opportunities.

Those participating in the adult education program of the District may be charged tuition for instruction and/or fees for the use of equipment and/or materials. The amount of tuition and fees shall be determined on a per-course basis or on the basis of the cost of the entire adult education program. All proceeds from tuition and fees shall be deposited in the adult education fund.
