Student Health

The Board may arrange each year for health services to be provided to all students. Such services may include, but not be limited to:

1. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day.
2. Consulting services of a qualified specialist for staff, students, and parents.
3. Vision and hearing screening.
4. Scoliosis screening.
5. Immunization as provided by the Department of Health and Human Services.
