

**ADMINISTRATION**

Superintendent's Central Leadership Team

The Superintendent may have a Superintendent's Central Leadership Team consisting of those administrative members of the school district organization he/she may designate.

The duties, responsibilities and functions of the Leadership Team will be prescribed by the Superintendent. The final responsibility and authority for any administrative action rests with the Superintendent.

In addition to the Leadership Team, the Superintendent, at his/her discretion, may organize other leadership teams to assist him/her.
