Dear Parents and Guardians,

Your student's fieldtrip to our local river or stream is made possible by a local nonprofit organization, the Watershed Education Network (WEN). WEN provides the leadership, equipment, and trained volunteers to make these wonderful field trip experiences. We encourage you to check out the website:

www.montanawatershed.org and also welcome any support or donations through your school or organization directly to this organization to continue all of the interactive field science opportunities they provide in class and at the river. Attached you will find a photo release form for your child while water testing on our fieldtrip days or participating in our hands-on inquiry-based class presentations noted on the school permission slip. If you have any questions, feel free to call WEN at (406) 541-9287 or email water@montanawatershed.org. Thank you for taking the time to fill this out and for returning it to the school.

Warmly,

-Watershed Education Network

Photo Release Form

I, the undersigned, in consideration of my child/dependent appearing in one or more projects or publications, grant The Watershed Education Network(WEN) and their agents permission to record, distribute, and use in photo, in film, tape, display or otherwise, their name, likeness, and or/ performance in such projects for any legitimate, noncommercial, purposes they may deem proper. Further, I relinquish and give to them all right, title, and interest I may have in the finished pictures, audiovisual recordings, slides, and reproductions.

I represent:

(print child's name) _____ as their legal parent/guardian.
